I briefly discussed this meeting with Darcy yesterday and she did not request more information for tomorrow. When this invitation to Greg came in several weeks ago, I did send Darcy what we had prepared for Doug for a similar meeting last year (see AE Delineation narrative below).

Valois: Could you remind us what we decided on the AE for the draft Class III draft permit for DB to address Powertech's concerns regarding the other UIC issue immediately below?

Hi Douglas –

Do you have a document for this meeting tomorrow?

Thanks

Sarah
